

## Frequently Asked Question (FAQ) Library

*Can I keep data entered during development?*

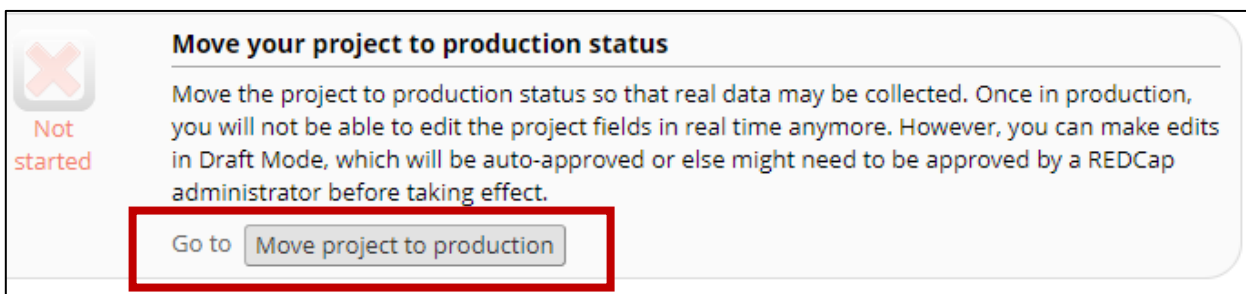

*I am ready to move from development to production.*

Yes, you can keep the existing data when moving from development status to production status.

1. Open the project and go to the **'Project Set Up'** tab

2. Along the bottom of the screen, select **'Move project to production'**

3. When you move your project to production, you will be asked if you want to keep or delete existing data from the project.
  - a. Choose **'Keep ALL data saved so far'** and click **'YES, Move to Production Status'**.
